

Israel Orientation Workshop (Extensive Plan)

Objective: To provide an extensive cultural and sociological orientation for evangelical Christians visiting Israel, helping them understand and navigate local customs, manners, develop Hebrew language skills, and engage in in-depth discussions on economics and current events in Israel.

Duration: 2-day workshop (3 hours per session, with short breaks)

Fee: Customized pricing based on the workshop requirements and participant count.

Location: Shalom Point's offices or client's place (flexible)

Day 1:

Session 1: Introduction to Israeli Society

- Overview of Israeli history, politics, and culture
- Understanding the diversity of Israeli society
- Basic Hebrew language skills and phrases
- Identifying different Jewish groups by the way they dress and talk
- Do's and don'ts in Israeli culture

Session 2: Navigating Israel's Local Customs and Manners

- Social and business customs
- Interacting with locals
- Understanding Israeli humor and sarcasm
- Food and dining etiquette

- Holidays and celebrations in Israel

Session 3: Hebrew Language Skills (Beginner Level)

- Introduction to Hebrew alphabet and pronunciation
- Basic vocabulary and common phrases for daily interactions
- Practical exercises and role-play scenarios for language practice

Day 2:

Session 4: Current Events in Israel and Economic Landscape

- Understanding the news in Israel
- In-depth discussion on key economic aspects such as prices, payments, and tipping
- Exploring the Israeli market and business environment
- Economic opportunities and challenges in Israel

Session 5: Hebrew Language Skills (Intermediate Level)

- Expanding vocabulary and conversational phrases
- Grammar structures and sentence construction
- Practical exercises and interactive language activities

Session 6: In-Depth Discussions and Q&A

- Engaging in meaningful discussions on current events in Israel
- Analyzing social, political, and economic topics
- Exploring diverse perspectives and viewpoints
- Q&A session to address specific queries and interests

Note: The workshop syllabus can be further customized based on the specific needs and interests of the organization. Additional topics such as religious sites, historical landmarks, and cultural activities can be incorporated upon request.

By participating in this extensive Israel Orientation Workshop, attendees will gain comprehensive knowledge of Israeli society, customs, and language skills, enabling them to have a deeper understanding and more meaningful interactions during their visit. Shalom Point offers flexibility in terms of workshop locations, either at their offices or at the client's place, ensuring convenience and accessibility for the participants.

For further inquiries or to schedule the workshop, please contact Shalom Point directly. Let us tailor the workshop to meet your specific requirements and make your visit to Israel a truly immersive and enlightening experience!
